AN INVITATION TO

Warsash Maritime Academy Careers Open Day
Friday 29 June 2012, From 10am to 4pm

Navigation, Engineering & Electro-Technical Officer careers in the shipping industry

The shipping industry has a great deal to offer young people considering their career options.

- Training programmes leading to HND, Foundation, BSc and BEng degrees
- Paid employment whilst training
- Excellent salary and career prospects, both at sea and ashore
- Responsibility at an early age
- Travel and the challenge of the sea
- Transferable skills

Britain is a major player in the international shipping industry and shipping is a vital part of our economy. The industry has a real need for talented people and this, together with the very high reputation enjoyed by British ship's officers throughout the world, means that the future career prospects both at sea and ashore are excellent.

Anyone interested in the possibility of becoming a ship's officer is invited to attend the Open Day at our Warsash campus, which is located about halfway between Southampton and Portsmouth. Shipping company representatives, and cadets currently in training will be on hand to give a genuine insight into the career opportunities available.

The minimum age for entry is 16 and the upper age limit varies from company to company but can extend well into the 30's.

Please accept this invitation to visit Warsash on the 20th January to find out what a career in the shipping industry has to offer.

More information about a career as a ship's officer can be found on our website at www.warsashacademy.co.uk/careers, where you will also find travel directions to the campus.

Please register for this event via our website at www.warsashacademy.co.uk

The event opens at 1000 and closes at 1600 but please arrive by 1530.

We hope to have the opportunity to welcome you to Warsash on the 29th June 2012.

Best wishes

The Marketing Team
