

# Accommodation

at WARSASH MARITIME ACADEMY

Accommodation in the Student Residences is automatically reserved for all induction phase Cadets by the shipping company.

Simply complete and return the Accommodation Booking Form (available online) to confirm your place. A pre-payment of £150 will also be required UNLESS your shipping company is paying for your accommodation fees.

If you make alternative accommodation arrangements, please let the accommodation team know as soon as possible and ensure you receive Shipping Company approval.

## Want more information on accommodation?

The Warsash Maritime Academy website has plenty of information about the accommodation including a Student On-line Induction which should answer any of your questions.
